## What Is STARFLEET?

### *A Proud Star Trek Tradition Since 1974*

STARFLEET is the oldest continuously operating Star Trek Fan Organization in the world. Founded back in 1974, when there were only 79 original live-action Star Trek episodes and no movies yet, STARFLEET has grown over the years to thousands of members. We're all about having fun, making friends, and keeping the ideals of Star Trek alive and healthy into the future.

### *STARFLEET Is Our Members*

For over 35 years, STARFLEET has provided Star Trek fans a way to meet each other, make friends, have fun, give back to their communities, and show that the dream of Gene Roddenberry

can live long and prosper. On the local level, members can gather with other fans for a variety of enjoyable activities. On the international level, STARFLEET offers our members a wealth of resources that you won't find in any other Star Trek fan clubs. In addition to a great set of membership materials and our regularly-published newsletter, STARFLEET offers members the chance to get involved with STARFLEET Academy, the STARFLEET Marine Corps, the Department of Technical Services, and much, much more. We even have a group of academic monetary scholarships that are awarded to deserving STARFLEET members each year.

### *STARFLEET Is Our Chapters*

STARFLEET is divided into hundreds of local Chapters, each named as a different starship or space station. Chapters are where the members of STARFLEET get together locally to make friends, meet, and have a fun time. Our many Chapters are spread out across the United States and also in foreign countries all over the world.

STARFLEET Chapters range in size from 10 members to several dozen. Some get together and meet in person while others are correspondence Chapters where members who live far away from each other can

still exchange messages via e-mail, telephone, and even good, old-fashioned postal mail.

### *STARFLEET Is Our Regions*

STARFLEET Chapters are grouped into Regions, each Region covering a different geographical area. These regions will often hold gatherings where crews of many Chapters get together for conferences, parties, charity events, and a whole range of other activities.
